Meeting called to order at 7pm by Paige Ackiss.

Motion by Patty Leonard and second by Jon Hall to approve Minutes from February 6, 2023 meeting Approved unanimously.

Council Report:

Councilman Leonard reported the town is gearing up for budget season. The State requires the Town to prepare a revenue-neutral budget but don't have to adopt it. River Bend has been counting on money in reserves for the past several budget cycles but they can no longer count on that to balance the budget.

Reported that reassessments are out. There is a process for a homeowner to protest their valuations and have the county relook at the value of your home and property

Public Works building project is coming along nicely.

Metronet is coming to town. They will be providing 100% fiber to the modem and are promising fast upload and download speeds.

OLD BUSINESS

Discussed the first look at bulkheads in the Town for the Zoning office to inspect. Jon Hall will volunteer his boat and the first excursion will be April 19, 2023 at 2pm. All EWAB are invited to assist.

New Business

Question was brought up by Karl Lichty regarding a mosquito abatement program. Is there one? Councilman Leonard will check and report back.
